

# Agency Family Pass Program

The agency family pass program is for service agencies who want to provide client-families with access to the zoo. The agency distributes the pass to families and then the pass is turned in at the zoo admission desk by the family. The zoo returns the pass to the agency. The pass can be re-used throughout the year. The cost of one family pass is \$50. The pass is good for one year and can be renewed. Additional passes can be purchased to ensure that passes are available to families on a daily basis. If you have any questions, please call (508) 991-4556 x10.

*Special notices of upcoming events and programs will be sent to agencies.*
